ABOUT GROUPE GRAPPLE

The Grouper Grapple Offshore Fishing Tournament was founded in 2013 as a way to give back to the community and show support to veterans that have served our country. The tournament teams up with Healing Through the Outdoors to sponsor a group of Military Veterans and provide each one with the opportunity to experience freedom on the water! This year the event will benefit Healing Through the Outdoors and the Jeff Sommer Memorial Scholarship Fund. Visit GrouperGrapple.com for full tournament details.

BENEFITTING

HEALING THROUGH THE OUTDOORS: In 2014 I found healing from helping others get outdoors. The enthusiasm that the youth showed seemed to heal my stress and uproot some of my struggles. Suffering from post traumatic stress disorder myself, I have a connection to veterans who have a feeling of displacement after their deployment. Healing Through the Outdoors(HTO) was established in 2017 to provide an engaging, educational and invigorating experience by bringing the veterans and their families to the outdoors.

The outdoor healing process is necessary to relieve physical and mental stressors of modern society. By joining with HTO the families will be benefactors of knowledge about living outdoors, the natural resources available to them, healthy eating and the benefits of natural sunlight.

HTO cares about veteran families that may be struggling and will uplift them by taking advantage of the healing qualities within the natural environment. To help veterans and their loved ones connect on a level that transcends branch of service, bringing comfort in an environment that promotes healing and hope through friendship, community and camaraderie.

– HTO Co-Founder, Joshua Bergman

JEFF SOMMER MEMORIAL SCHOLARSHIP FUND: We would like to honor the memory of Coach Jeff Sommer of Estero High School and the positive impact that he had on hundreds of young people and adults. Brian Peachey, the founder of the Grouper Grapple Offshore Fishing Tournament was an all-star athlete who ran cross country and track for Coach Sommer from 1989-1993. Along with his fellow athletes, Coach Sommer

pushed them to be their best taking them to the State meet where they were Runner up in 1991 and State Champions in 1992. Peachey was recognized as All Southwest Florida Cross Country Runner of the year during his time with Coach at Estero HS and has stayed close with Coach Sommer and his family throughout the years.
