

10th Annual Grouper Grapple Offshore Fishing Tournament Presented by Tunaskin & Florida Structural Group

July 13, 2023 - July 15, 2023
at Snug Harbor Waterfront Restaurant

10 YEARS OF GIVING BACK

Get ready for a weekend of fishing, family, fun, and all going to benefit two great causes, Hearts on Main Street and The Jeff Sommer Memorial Scholarship.

We are happy to continue our support of the Jeff Sommer Memorial Scholarship Fund. Jeff Sommer was an integral coach for Estero High Schools Cross Country Team. He has been not only a coach, leading the team to 9 state titles, but a friend and mentor for generations of athletes including many of the Grouper Grapple founders and participants.

In late September 2022, Hurricane Ian bore down on Southwest Florida causing many individuals to lose their livelihoods and personal property. Grouper Grapple 2023 is partnering with Hearts on Main Street, a non-profit whose goal is to support local small businesses and independent retailers. Through Hearts on Main our proceeds will go directly to supporting the local seafood industry devastated by Hurricane Ian, more specifically Erickson and Jensen Seafood on the rebuild of their Fort Myers Beach Locations.

“Heart on Main Street is dedicated to providing the tools and resources to independent retailers to help them thrive and evolve. We want to help retailers accomplish their goals, refine their business and reinvent themselves to better serve their customers.” — Patrick Keiser Executive Director of Heart on Main Street
